

There is Joy in Serving Jesus!

God's unspeakable love is shown upon us when we are willing to trust Him in all things.

A few days ago, Teresa and I had the pleasure of sitting down with seven of our supporters around the table to share a meal together. It was a blessing to us to be able to share freely what God has been doing in our lives and what we see on the horizon.

We know that each member of our support team, partners with us to reach the people God has placed in our way- -whether we talk with them one-on-one, or lead a Bible study or send out radio equipment from which they might be able to hear the good news of Jesus and come to accept Him as their savior as well.

The family of God worked together in the book of Acts, assisting one another in need as well as sending out the first missionaries. We are thankful that we can depend on each one that prays for us each day, as well as those that give so we can serve here in Elkhart.

Support Praise:

We were very grateful for God's provision during the month of July. Our account is back in the black again. I don't recall that ever happening in the past, so we are overjoyed.

A special thank you to each one that had a part in this.

Similarly, we have been encouraged by messages we have heard on the radio and at church that our dependencies needs to be in complete trust in God.

My humanness says I can do it alone. But in this life, all we can do is really trust in God to give us grace to make it through each day.

As the new contemporary song says: "I never have to worry What tomorrow will bring 'Cause my faith is on solid rock I am counting on God ."

Additional blessings in our life:

Valerie received a scholarship from one of the local Christian radio stations for \$250 as well as one from Elkhart County Junior Leaders organization.

Additional blessings (cont.):

God is helping us find ways to provide for her college education.

Teresa has been given the opportunity to work an additional hour each day at Elkhart Christian Academy as school began August 12th. She is still classified as part-time, therefore no fringes, but what she makes covers the cost of Lizzie's tuition and a little extra to cover medical expenses.

Teresa had a great time in Argentina visiting her family there. It had been over six years since she had seen them, and thankfully her trip was covered by the use of my frequent flier miles.

She was also able to get her transcripts from the Bible Institute that she attended years ago. These were needed so that she can continue the licensing process to teach at a Christian school.

We are truly blessed!

Shipping update:

Since October first, we have shipped out 44 transmitters, 19 antennas and over 4,000 SonSet® Radios to many countries around the world.

God's word is still going out and our goal is that: "*And this **gospel** of the kingdom **will** be preached in the whole world as a testimony to all nations, and then the end **will** come.*" Mt. 24:14.

With your help, we will continue to do that so we can rejoice in heaven together for what God allowed us to do during our lifetime on earth.

Donations to our account can be sent to HCJB Global, PO Box 39800, Colorado Springs, CO 80949-9800. Account # 110294.
